This program includes maintenance, conversation programs, education opportunities, and other amenities. There are signage markers for 911 per quarter mile along the 10 foot wide trails. The cost related to the speed cushions was shared with the group at 7,000.00 each. She noted that her office's core duties are evolving and more would be known after meetings with staff this Friday. Her wish was to make sure there was a viable contact list for all SN groups and hopefully all HOAs as well. These will be forwarded as soon as possible.
