### SN17 Boundaries

### “ASHFORD PARK”

Ashford Park neighborhood is located south of Westheimer and west of Dairy Ashford. Both the western boundary and southern boundary are part of Braes Bayou. We are in City Council District F represented by Dr. Steve Le.

The Neighborhood was built in the early 1980's and is made up of six sections. The floor plans and architecture of the neighborhood resembles the Arts & Crafts or Mission Style. The master suites are larger and the living areas are open style. The exteriors have gable trim, colorful paint and other details that add to the charm of the neighborhood.

Although the neighborhood is split in regards to HOA Board and Management Company, Ashford Park works well with all their neighbors. Neighbors are friendly and wave to each other as we pass by walking or driving our cars. We help out our neighbors when they are down on their luck. We watch out for each other's' homes and security.

We come together when there is an issue that needs the police or city attention and make sure that those entities hear our voice on the subject matter. Our Nextdoor group is very active and helps with this. You can join us on Nextdoor if you haven't already by going to this link. <https://nextdoor.com/invite/aenedkhnzncsusecrmdd>

Section 6 of Ashford Park has started a "Clean Up Our Streets" Day. We've had three of these so far. We are hoping to expand it to the other sections of the neighborhood as well. Neighbors come out on a Saturday morning. The HOA provides trash bags, vinyl/latex gloves and water. Neighbors walk the streets looking for trash and collecting it to beautify the area. Usually one or two of the residents offers to take the trash bags and discard them in their weekly trash pick-up.

2018 was our first Neighborhood Night Out where we had a plethora of neighborhoods represented. Our city council member and super neighborhood president were in attendance and spoke as well as mingled to get to know their constituents and to answer questions. We had vendors and a voter registrar in attendance. In 2019, we hope to combine efforts with all six parts of the neighborhood and have an even bigger event.

If you are looking for a friendly neighborhood with neighborly interaction, look into homes for sale in Ashford Park. We will welcome you with open arms.

There are 567 homes in sections 1-5. The 2018-2019 HOA board members are Bruce Miebs, Linda Bordwell, Al Murdock, Sean Goodman and Marcia Johnson. Sections 1-5 are managed by Graham Management.
